Diagnostic Essay

Length: 1 page, double-spaced

Due: Monday, January 22nd

Assignment:

When has your ability (or lack thereof) to communicate your ideas in written form been important in your life? Focus on a particular moment or event in your life (i.e. NOT an entire year of school etc.) and argue how writing was central in the happening (or not happening) of that event. This assignment is due at the beginning of class on Monday, January 22nd.
