Essay Title:

Purpose: Inform / Interpret / Argue

Determination over Nature

Thesis:

Suitable -- yes / no / sort of why?

Significant -- yes / no / sort of why?

Specific -- yes / no / sort of why?

Good

Where is the thesis located? Is this spot appropriate given the whole essay? End of #1

Strategy:

Support point 1: ~~about the Hurricane~~ Hurricane b UF
Details: changes, plans, accomplishments

Support point 2: During
Details: n/a

Support point 3: The Future
Details: plans, career, dreams b perspective.

Is there sufficient support? Does the support make sense given the purpose and nature of the assignment?

Yes, but it would be stronger with more about his experience during Wilma. Also retitle section 4 as discussed.

Suggestions

Watch for run-on sentences b comma overuse.

Other than that, very solid.
